Tim, welcome to our group. Below is the most recent post from a few days ago. I'll send you several others from recent months. We'll have a new Capitol Post newspaper probably this month at which time you'll be officially welcomed and you will have all the other emails of members.

Regards,

Mike

Colleagues, just a brief report here at the end of the year.

## **IN MEMORIAM**

Robert I. Kelly - House Parliamentarian and Dir. Leg. Council

Tom Treadway - Dir. House Business Office

Sarah Weddington - House member from Travis County

I don't have any information on services except Tom Treadway on Jan. 13 at 3 p.m. at Weed, Corley, Fish on N. Lamar Blvd. in Austin.

Our profound sympathy to the families of these distinguished former state officials.

## **MEMBERS RECOVERING**

It is my understanding that the three members we have been following; Judge Nowlin, Mark Stiles and Barry Telford are all doing better and recovering, albeit slowly. Best wishes guys!

## **NEW MEMBERS**

My goal is to have several hundred new members join this year. We have reached out to Speaker Phelan through Chairman Stiles and will work with him to devise a plan and hopefully a platform that will take us to the next level. These contacts are out there. We just need to identify them and reach out. We would all appreciate any contacts you may have.

Hopefully I'll send a more formal newspaper soon.  
In the meantime, HAPPY NEW YEAR! STAY SAFE!  
AND BEST PERSONAL REGARDS,

Mike
